

As for those incompetent wotas who
only know how to shout and cause a
ruckus at such a traditional idol stage,
I am confident that they will be weeded
out in the near future.

COMMENTARY: Million Doll

(Group Guidelines)

This Board is where the MillionDollBoard DM editor will occasionally explain the terminology that appears in Million Doll. There are extremely subjective definitions, as at times they will differ from the real definition. We recommend not taking them too seriously.

[1:1] ♦ Million Doll Wota Terminology ♦

1: Staying at Home

Stay-at-home wotas are idol fans who mainly do their wota activities at home, via message boards, DVDs, and video streaming sites. You can divide idol fans into two categories: those who go to events in person, and those who stay at home.

Stay-at-home wotas who don't spend money on lives and events are the target of criticism by the on-site wotas.

On the other hand, there are many stay-at-home wotas who brag about being able to support the idols in their own way and at their own pace.

The conflict between on-site and stay-at-home will never cease. Suuko and Ryuusan can be considered representatives of these two factions as they battle it out.
